Dear Parents / Guardians,

NOTIFICATION TO PARENTS (TERM 3/2025)

1. Welcome back to a new school term. We hope you have a rewarding and fulfilling parent child bonding time during the June holidays. The lives of our children, in our connected community, allows us to help influence them as good role models of grace and kindness. Thank you to all our parents/ guardian for partnering the school and actively growing all our children to be *A Montfortian, A Man for Others*.
2. **Traffic Safety and Consideration for Residents.** The school seeks all for your cooperation to the prevention of potential traffic accidents. This is especially so at the front gate when dropping off or picking up your child/ward. Due to the heavy traffic conditions of vehicles travelling along the road and pedestrians crossing the walkway outside of the gate along Hougang Ave 8 (main road outside the school), any stoppage or obstruction caused by unauthorized picking up / dropping off by vehicles at our front gate would constitute a breach of safety. Cars have been causing an unsafe situation when they stop and block our school entrance. This further causes more congestion on the road. Please help to role model safety practices by dropping off or picking up your child/ward at any of the HDB car parks next to the side gate.
3. Please make full use of all available carparks near the school to prevent congestion and avoid bottlenecks. If you encounter congestion, remain patient and avoid using your car horn, as it can disturb residents. Additionally, ensure that your child/ward behaves considerably outside of school by avoiding loud noises and excessive running, as these actions can cause safety concerns and distress to residents. Your role in modeling and reinforcing the school's values of Respect and Compassion will further support our efforts to foster good relations with the local community.
4. For students and parents who cycle to school, please exercise care and consideration to pedestrians. All cyclists are recommended to wear appropriate protective gear as recommended by LTA. For students who are riding to school, they must register with Operations Manager to complete a Riders Safety briefing, please help to inform the school if your child/ward is a rider for the school to conduct the said safety briefing for them.
5. **Safe and appropriate behaviour in our school buses.** For parents whose children are taking the school bus, please reinforce our message that it is a requirement for all children to wear seat belts when in the school bus. We seek your help in iterating to your child/ward of the importance of wearing their seat belts and always remain seated while in the school bus. Repeated failure to wear the seat belts may result in the bus company preventing your

child/ward from using the school bus services. Parents may also give the school any feedback on any school bus safety related concerns, and we will follow it up with the bus company. On a similar note, our bus captains are asked to give their feedback to the school on any safety concern due to students' behaviour such as not wearing seat belt, behaving rowdily to distract the drivers etc. The school will put in place interventions to ensure school bus safety is not compromised.

6. **Communications with Form Teachers and Subject Teachers.** As we embark upon Term 3, we would like to ensure that you are fully informed regarding your child's / ward's Form Teachers and Subject teachers. You can find this information on the school website. We encourage you to establish communication with these teachers for the upcoming term if you have any questions or require updates on your child's / ward's progress. The various communication platforms include phone calls to the General Office, messages sent via teachers' email, or SeeSaw.
7. **School Attendance & Punctuality.** Please note that regular attendance in school is important for students' learning. If your child/ward is unwell, please do seek medical treatment. If parents/guardians choose not to bring their children to the professional health practitioners, supporting letters from parents/guardians up to 6 per semester is allowed but are not acceptable during Term Tests, P6 Preliminary Examinations and End-of-year Examinations. For such occasions, only medical certificates from professional health practitioners are acceptable.
8. The school seeks your cooperation in ensuring that your child/ward arrives punctually by 7:30 a.m. Punctuality is a discipline that the school seeks to inculcate in our boys. Students are expected to be punctual as articulated in our school's discipline policy (you may refer to Student Handbook 2025). The school has observed some students coming in "Just-In-Time". They rush into the school and risk being late for school. We hope to partner our parents to encourage your child/ward to report by 7:20 a.m. during term time. Arriving earlier will allow the teachers to check in on their well-being and for the boys to interact with their peers to start the day better.
9. **Term 3 Student Check-in survey.** The survey will provide an opportunity for us to understand how students are coping with the demands of schoolwork, co-curricular activities, and any other challenges they may be facing. The links for students to access the survey at home is available here: P1&P2, P3&P4, P5&P6. Your child/ward will also receive the link through his Form Teacher next week. The online survey will close on Friday, 4 July 2025.
10. **Term 3 Temperature-taking Exercise.** Students will continue to bring a working thermometer with them daily as part of social responsibility to check their own temperature whenever they feel unwell. Temperature-taking Exercise would be conducted **on Wednesday, 9 July 2025**. Please ensure that your child/ward has a working thermometer during the exercise.

11. **Catholic Education Programme.** Masses are held on the first and third Wednesdays of every month for all Catholic boys from 7:00 a.m. to 7:40 a.m. Details on the schedule of masses that parents are invited to attend is available on our school website under announcements. Interested parents can register your interest with us via the QR code on our school website.
 12. **Holistic Development Report (HDP) and Student Awards.** The HDP is used to provide a comprehensive and inclusive way of recognising your child's/ward's efforts and achievements through personal qualities and learning dispositions. This includes consolidated feedback from all teachers (Form Teachers, subject teachers and CCA teachers) who have interacted with your child/ward throughout the Semester. In recognising students for their year-long achievements, the student award process includes referencing from the HDP. Your child's/ward's progress in personal qualities will be reflected in his report book at the end of each semester. With strong home-school partnership, we can nurture the personal qualities in the HDP together for your child's/ward's growth.
 13. **Enhanced Parent-Teacher-Meet (PTM).** With reference to our earlier notification (MJS/GO/2025-87) dated 25 April 2025 regarding Parent-Teacher Meetings (PTM) for Primary 1 to 6 students, we are implementing a more flexible parent engagement approach in Semester 2. From Week 8 of Terms 3 and 4, Form and Subject teachers will connect with parents/guardians to discuss students' learning progress and behavioural development. This shift from fixed PTM dates allows for greater scheduling flexibility and personalised interaction. Parents/guardians can choose their preferred meeting format, whether online, by phone, or in person. Should you wish to arrange a discussion, you may email your child's / ward's Form or Subject teachers directly. Their contact details are available on the school website. We value your partnership in supporting your child's / ward's educational journey and look forward to meaningful engagement with you.
 14. **Parents Support Group.** We encourage you to join the school's Montfort Junior Parents Connection (MJPC) and be active in the activities the school enacts for the children. You can sign up for activities that suit your schedule. More information is available at MJPC Facebook page: <https://www.facebook.com/groups/MJPCConnection>.
 15. All students do not attend school on Monday, 7 July 2025 as it is a school holiday in lieu of Youth Day falling on Sunday, 6 July 2025.
 16. **Racial Harmony Day.** Students are encouraged to wear traditional costumes to school on Monday, 21 July 2025, as we commemorate Racial Harmony Day.
 17. **National Day.** Our National Day celebration will be held on Friday, 8 August 2025. Students are encouraged to wear red T-shirts with white pants. School will dismiss at 10:30 a.m. Parents whose children do not take the school bus should arrange for pick-up. Additional details will be shared via Parents Gateway closer to the date.

18. **P5 NE Show.** Primary 5 students will attend the National Education (NE) Show on Saturday, 19 July 2025, from 3:00 p.m. to 10:00 p.m. This pre-National Day event aims to instill a sense of national pride and belonging in our students. For more details, please refer to the Parents Gateway notification dated 26 May 2025.
19. **Teachers' Day Celebrations.** Teachers' Day will be celebrated on Thursday, 4 September 2025. We would like to express that simple notes of appreciation from students and parents are sufficient and deeply valued by our teachers. School will dismiss at 10:30 a.m.
20. **CCA.** The Term 3 CCA schedule will be sent to parents via Parents Gateway. Please note that CCAs will not be conducted on 14 and 15 July (Primary 6 Preliminary Oral Examinations) and 4 September (Teachers' Day Celebrations).
21. **Assessments.** Please refer to Annex A for the Term 3 School Calendar of Events and Annex B for details of all assessments. These include Non-Weighted Assessments for Primary 1 and 2, Weighted Assessments for Primary 3 to 5, and Preliminary Examinations for Primary 6. We seek your support in helping your child/ward prepare for these assessments. Should your child/ward be absent during any Weighted Assessment or P6 Preliminary Examination, a Medical Certificate from a Singapore Medical Council-registered practitioner is required. Students who are absent without valid reasons will not be awarded any marks.

Age Quod Agis.

Yours sincerely,

Victor Tan

Principal
