Dear Parents / Guardians,

## NOTIFICATION TO PARENTS (TERM 4/2025)

1. **Term 4 School Calendar and Days of School Closure due to PSLE Examinations and Marking.** As there are several days of school closure due to the PSLE examinations and marking, do take note of these dates and make the necessary childcare arrangements.
  - a. Annex A lists the schedule of events for Term 4.
  - b. Annex B delineates the content to be tested for the Primary 3 to Primary 5 End of Year Examination as well as for the Term 4 Primary 1 and Primary 2 Non-Weighted Assessment.
2. **Traffic Safety and Consideration for Residents.** The school seeks all your cooperation to prevent potential traffic accidents. This is especially so at the front gate when dropping off or picking up your child/ward. Due to the heavy traffic conditions of vehicles travelling along the road and pedestrians crossing the walkway outside of the gate along Hougang Ave 8 (main road outside the school), any stoppage or obstruction caused by unauthorized picking up/dropping off by vehicles at our front gate would constitute a breach of safety. Cars have been causing an unsafe situation when they stop and block our school entrance. This further causes more congestion on the road. Please help to role model safety practices by dropping off or picking up your child/ward at any of the HDB car parks next to the side gate.
3. Please make full use of all available public car parks near the school to prevent congestion and avoid bottlenecks. If you encounter congestion, remain patient and avoid using your car horn, as it will disturb residents. Additionally, ensure that your child/ward behaves considerately outside of school by avoiding loud noises and excessive running, as these actions can cause safety concerns and distress to residents. Your role in modeling and reinforcing the school's values of Respect and Compassion will further support our efforts to foster good relations with the local community.
4. For students and parents who cycle to school, please exercise care and consideration to pedestrians. All cyclists are recommended to wear appropriate protective gear as recommended by LTA. For students who are riding to school, they must register with our Operations Manager to complete a Riders Safety briefing. Please inform the school if your child/ward is a rider for the school to conduct the said safety briefing for them.

5. **Safe and appropriate behaviour in our school buses.** For parents whose children are taking the school bus, please reinforce our message that it is a requirement for all children to always wear seat belts when in the school bus. We seek your help in iterating to your child/ward on the importance of wearing their seat belts and always remaining seated while in the school bus. Repeated failure to wear seat belts can result in the bus company preventing your child/ward from using the school bus services. Parents are also encouraged to give the school any feedback on any school bus safety related concerns, and we will follow up with the bus company. On a similar note, the bus captains are asked to give their feedback to the school on any safety concern due to students' behaviour such as not wearing seat belts, behaving rowdily to distract the drivers etc. The school has put in place these regulations to ensure school bus safety is not compromised. For example, regulation on school bus safety was shared and briefed to our Montfortians on 1 Aug 2025, and a notification on 'School Bus Safety – Mandatory Seatbelt Requirements' was sent to parents whose child takes school bus via Parents Gateway on 4 Aug 2025.
6. **Children's Day Celebration.** The school will celebrate Children's Day on 2 Oct 2025 (Thu), and students will be dismissed at 10:30 a.m. As part of our promotion for our children to read and to encourage creativity, this year's Children's Day celebration bears the theme of "Stories Come Alive". We invite all students to come dressed as characters from the book they enjoy. In line with our school's spirit, students are strongly encouraged to design their costumes using recyclable or reusable materials. This is a wonderful opportunity for our students to become Green Makers while expressing their creativity. As part of the celebrations, we are also thrilled to host Mr. Neil Humphreys, one of Singapore's best-selling and award-winning authors, for Author Talk. This is an inspiring opportunity for students to hear from a celebrated writer and learn more about the world of writing and books. Following Children's Day, we will be holding a Book Fair during recess on 6 Oct 2025 and 7 Oct 2025. A wide selection of fiction and non-fiction titles will be available for purchase. Students who purchase Mr. Humphreys' books on 6 Oct 2025 will also have the chance to get them personally autographed during recess. To further enrich the Children's Day spirit, fun and engaging activities have been planned for all students throughout the celebration.
7. **Deepavali Celebrations.** As Deepavali falls on 19 Oct 2025 (Sun), 20 Oct 2025 (Mon) will be a public holiday. Deepavali celebrations in school will be held on 24 Oct 2025 (Fri).
8. **Post PSLE Programme for P6 Students.** Attendance is compulsory after PSLE as lessons will continue. Meaningful and interesting activities have been planned for the students. There will also be sessions to guide our students on their transition to secondary schooling.
9. **CCA Programme.** The final session for all after-school CCA will be on 30 Sep 2025 (Tue) and resumes only from 4 Nov 2025 (Tue) onwards.
10. **PE Programme.** We will be having our P5 OAL at MOE Changi Coast Campsite from 16 Oct 2025 (Thu) to 18 Oct 2025 (Sat). The Outdoor Adventure Learning 3D2N Camp aims to instill a sense of resilience and our school values in our students. More details will be provided over PG.
11. **Catholic Programme.** Details on the schedule of masses that parents are invited to attend are available on our school website under announcements. Interested parents can register your interest with us via the QR code on our school website at <https://go.gov.sg/mjscatholic>

12. **Term 4 Student Check-in Survey.** The survey will provide an opportunity for us to understand students' sentiments towards Term 4 and how students are managing challenges that they may be facing. The links for students to access the survey at home is available here: [P1&P2](#), [P3&P4](#), [P5&P6](#). Your child/ward will also receive the link through his Form Teacher. The online survey will close on 19 Sep 2025 (Fri).
13. **Holistic Development Report (HDP) and Student Awards.** The HDP is used to provide a comprehensive and inclusive way of recognising your child's/ward's efforts and achievements through personal qualities and learning dispositions. This includes consolidated feedback from all teachers (Form Teachers, subject teachers and CCA teachers) who have interacted with your child/ward throughout the semester. To recognise students for their year-long achievements, the student award process includes referencing from the HDP. Your child's/ward's progress in personal qualities will be reflected in his report book at the end of each semester. With strong home-school partnership, we can nurture the personal qualities in the HDP together for your child's/ward's growth.
14. **Parents Support Group.** We encourage you to join the school's Montfort Junior Parents Connection (MJPC) and be active in the activities the school enacts for the children. You can sign up for activities that suit your schedule. More information is available at MJPC Facebook page: <https://www.facebook.com/groups/MJPCConnection>.

Age Quod Agis!

Yours Sincerely

Victor Tan  
Principal
